Online and in-person training

Train today – succeed tomorrow

LANGUAGES ARE WHAT WE DO BEST – FOR OVER 50 YEARS – **WORLDWIDE**

- Over 40 branches in Germany
- 5 branches in Austria
- Headquarters in Frankfurt am Main
- Independent sister companies
- International co-operation partners
- Satellite locations
- Highly qualified trainers around the world

Our services go far beyond language instruction as outlined here. Translation and interpreting in all languages and all specialist fields are just as much part of our portfolio as intercultural training and communication training.

OUR MODEL OF SUCCESS

Courses to match every need

You can choose from our many courses in English, French, Spanish, Italian, Russian or German as a foreign language. Naturally, we offer courses in other languages too. Simply get in touch with one of our over 40 training centres for a personal quotation. Whether it is an individual or group training, online or face-to-face training, we have the perfect course for you.

- ✓ Practice-oriented and interactive lessons
- ✓ Experienced team of trainers
- ✓ Courses are tailored to your level and to your goals
- ✓ Quicker and sustained success
- ✓ Up-to-date course material
- ✓ Relevant and application-oriented course content
- ✓ In a central training room or in a virtual classroom from the comfort of your home

A placement test which accurately measures your current level of language skills

- You can take an online placement test
- With an online placement test, we can accurately evaluate the current level of your language proficiency according to the levels, ranging from A1 to C2, of the Common European Framework of Reference for Languages (CEFR) (see page 5)
- Based on the test results we will suggest a course suitable for you
- You will receive a Certificate of Participation for the level you have reached

You can find an overview of our current courses and seminars on <https://www.kerntraining.com/de/onlinelesungen/kurskalender/> – sign up online there!

SYSTEMATIC LEARNING

Common European Framework of Reference for Languages CEFR

CEFR Level A1	Basic language user	You are capable of asking and answering very simple questions.
CEFR Level A2		You are capable of engaging in simple conversations, taking telephone calls, writing simple emails and faxes.
CEFR Level B1	Independent user	You can participate in meetings, deal with objections, and thereby talk about work related topics.
CEFR Level B2		You are capable of taking part in a discussion or a telephone conferences also with native speakers, and you can express your opinion without major problems.
CEFR Level C1	Competent user	You are capable of giving presentations, writing reports and holding negotiations.
CEFR Level C2		You are capable of understanding the nuances of the language used by your partner in a specific situation and can recognize the differences.

The level system to learn languages so that you can get an overview right from the beginning.

Our courses are oriented towards the Common European Framework of References for Languages. The CEFR level system for language acquisition describes the six internationally accepted levels in the areas of listening, reading, writing and speaking.

You can develop your language proficiency step-by-step: there are two modules for learning at each level, which will help you to communicate in the language of your choice within a short period of time.
